Klidná jako voda

C

C F C
Chodím světem už pěknějch pár let
C F C
parným létem i zrmzlej jak led
Am F G C
zjistil jsem, že lásku smím dávat i vzít
F C G C
nikdy jsem nešel tou cestou, kudy ty musíš jít

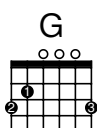

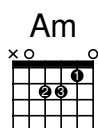

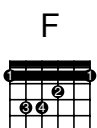

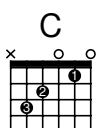

C F C
Viděl jsem i místa, lepší zapomenout
C F C
kulky vzduchem hvízdát, těla po vodě plout
Am F G C
někdy si až říkám, jestli mám právo žít
F C G C
a to jsem nešel tou cestou, kudy ty musíš jít

F C G C
Buď klidná jako voda, ale silná jako proud
F C G
skála se ti poddá a zbavíš se všech pout
F C E7 Am
svěží jako ranní rosa a čistá jako sníh
F C G C
když tančíš po kamení bosá, svět máš na dlaních

C F C
Život někdy umí lidem naložit kříž
C F C
ale ničeho se neboj, jsem tu s tebou, vždyť víš
Am F G C
a i kdyby nás ďábel chtěl na rohy vzít
F C G C
spolu půjdem tou cestou, kudy ty musíš jít

time is a river

Em *C*
The morning stole away my dreams

G
I saw you dance across the stream

D
I was drowning in the air
Under cold fluorescent lights
I reached out to hold you tight
Such a comedy of cares

Am *Em*
Another me

C
Another you

D
Another reason

Em *C* *G*
We had no diamonds, we had no gold

D *Em*
We had time, time is a river

C *G*
Left with silence, thoughts untold

D *C*
Left with time, time is a river

D *Em* *C*
Time is a river, time is a river

D
I've seen the sea

As I hear the midnight chimes
I sit searching for your eyes
The way they used to look at me
How come it ever came to this
What was that something that I missed
While we were floating to the sea

Another me
Another you
Another reason

We had no diamonds, we had no gold
We had time, time is a river
Left with silence, thoughts untold
Left with time, time is a river
Time is a river, time is a river
I've seen-

C G *Dsus4*
I should have put you first
You were more than I deserved
I could fill this room with words
But there's no one here to listen

We had no diamonds, we had no gold
We had time, time is a river
Left with silence, thoughts untold
Left with time, time is a river
Time is a river, time is a river
Time is a river, time is a river
I've seen the sea
